

## 3D Project: Seed Packet Holder (with BONUS seed packet)

Your kit contains supplies for one of these seed packet holders. DSP and cardstock colors may vary.

You will need: Stamp, Ink, Adhesive, and Stampin' Dimensionals

Measurements:

Cardstock for Base (Terracotta Tile/Mint Macaron): 4 x 11 scored @ 4 ¾, 9 1/2, 9 5/8

Cardstock Layer (Terracotta Tile/Old Olive): 3 ½ x 4 ¼

Designer Series Paper (Ornate Garden \*retiring): 3 ¼ x 4

Belly Band (Terracotta Tile/Old Olive): 1 ¼ x 9

Basic White: stamp sentiment and punch with 2" Circle Punch (\*retiring)

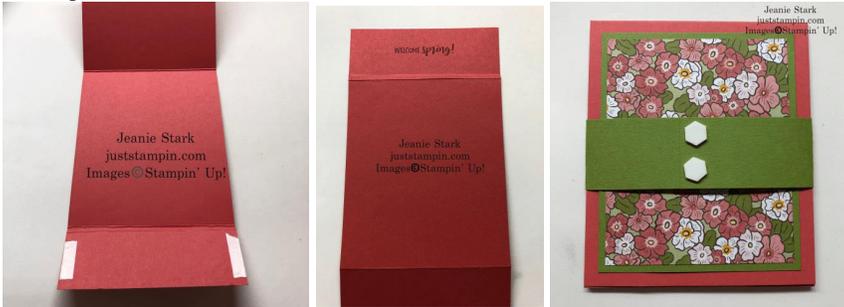

2019-2021 & 2020-2022 In Color DSP (Terracotta Tile/ Bumblebee): punch butterflies with Butterfly Duet Punch (\*retiring)

Supplies used:

- Stamps shown: Dragonfly Garden, Fancy Phrases (\*retiring), Springtime Joy (\*retiring), Timeless Tulips (on inside sentiment)
- Ink: Early Espresso
- Paper: Ornate Garden Designer Series Paper (\*retiring), Terracotta Tile (\*retiring), Mint Macaron, Old Olive, and Basic White Cardstock
- Tools: Butterfly Duet Punch (\*retiring), 2" Circle Punch (\*retiring), Paper Trimmer with scoring tool, bone folder
- Adhesives: Stampin' Seal, Tear & Tape, Glue Dots, Stampin' Dimensionals

**Directions:**

1. Fold and burnish score lines. Fold up the card with the small flap to hold the seed packet tucked inside.
2. Put a strip of Tear & Tape on each side of the inside of the flap, as close to the edges as possible so you can fit your seed packet inside.
3. Stamp inside sentiment if desired before removing tape and adhering flap.
4. Adhere DSP to cardstock layer and adhere to front.
5. Place seed packet inside and close. Wrap belly band around and secure in front with Stampin' Seal+ or other strong adhesive. Make sure belly band will slide off easily to remove.

6. Stamp sentiment on 2" Circle and adhere to belly band with Stampin' Dimensionals. \*I find it easier to place Dimensionals on belly band and place circle on top (\*see photo above).
7. Punch butterflies using Butterfly Duet Punch and adhere with Mini Glue Dots. Add rhinestone to small butterfly on front. Adhere large butterfly inside. \*This is a nice gift for any occasion (Easter, Spring, Birthday, Mother's Day, etc.)
