July 29, 2025

CLUE #1 -Gather your supplies!

- Cardstock– 5 1/2 x 6 1/4, 2 @ 1 x 5 1/4
- Designer Series Paper- **Cut 2** portrait pieces (*You will see both sides. These should be coordinating patterns):
3 3/4 (wide) x 5 1/4 (tall), plus extra for envelope (optional)
- Basic White or Very Vanilla – 4 x 5 1/4, plus extra for stamping
- Envelope
- Ink
- Stamps
- Adhesive
- Embellishments- ribbon, adhesive dots or gems/sequins (*optional)
- Tools – Trimmer/Score Board, Bone Folder, scissors if needed to fussy cut
- *Optional – die cut shape/punch, embossing folder (recommended)

CLUE #2

Score 5 1/2" x 6 1/4" cardstock along the long side @ 1" and 5 1/4" to create the base of the card.

CLUE #3

Adhere 4 x 5 1/4" White (or Very Vanilla) to the inside between the score lines.

CLUE #4

Fold the flaps on the cardbase forward. Adhere the 3 3/4 x 5 1/4 Designer Series papers to each flap...one on the right flap and one on the left flap. *Start with the right flap and adhere it so it covers the inside piece. You will leave about 3/8" on the right side flap showing so just apply adhesive strip on the edge of your DSP. Repeat with the left side DSP/flap. This piece should cover the DSP on the right side when card is "closed".

CLUE #5

Emboss both 1 x 5 1/4 strips with embossing folder of your choice and adhere these to the card base (on top of each DSP) along the 1" sections.

CLUE #6

*Optional-Punch/ Die cut circle or other shape from the front panel.

CLUE #7

Stamp/die cut image(s) and/or sentiment(s) and adhere to card layers on front, middle, and inside. Have fun using what you have!!

CLUE #8

Does your card need anything else? Embellishments? Another sentiment? Add that now.

CLUE #9

Decorate your envelope (stamp/emboss/add DSP) to coordinate with your card.

Mystery Solved!

Double Flap Fun Fold Cards

Supplies
