

3D Project- Scalloped Window Box

Supplies/Measurements:

Scalloped Window Box- Item # 167655

DSP (Artisan Sketched Garden): 3 $\frac{3}{8}$ x 3 $\frac{3}{8}$, 4 @ $\frac{7}{8}$ x 3 $\frac{3}{8}$, floral image

Tools & Embellishments: Scalloped Blooms Dies, ribbon, Cut & Emboss Machine

Directions:

1. Assembly box. Fold and burnish along score lines.
2. Cut scalloped circle from center of 3 $\frac{3}{8}$ x 3 $\frac{3}{8}$ DSP. Adhere to the front of the box.
3. Adhere strips along all 4 sides of the box.
4. Fussy cut flower image with scissors and attach to box. Be careful to just add adhesive where it will not show when you open the box.
5. Tie ribbon in a simple knot and trim ends. Attach to the box with a Mini Glue Dot.

*The Scalloped Window Boxes are perfect for cookies, small gifts, and handmade favors. With a peek-through window lined with acetate, it's food safe and ready to show off your treats. Stamp it, decorate it, or leave it simple—either way, it's strong enough to hold your goodies and stylish enough to steal the spotlight.
